Participants are requested to check with the Consulate/Embassy of Austria or with their travel agency for visa requirements. It is the responsibility of the participant to obtain a visa if required.

## **Visa Invitation Letter**

An official personalized letter of invitation can be provided to registered participants as part of the registration procedure. This invitation is prepared solely for the purpose of visa applications and does not constitute a commitment on the part of the organizers to provide any financial support or confirmation of inclusion in the scientific programme.

Invitation letters can be provided electronically (PDF) if required after the registration process is completed. Already registered participants can find the link for this visa letter portal in their registration confirmation email. For further information please [contact us](#). Support from pharmaceutical partners helps make this event possible. As such, it is important that we comply with the various codes and directives relating to the manufacturing, distribution, and marketing of pharmaceutical products. The European Union directive (2001/83/EC, article 86) provides guidelines relating to medicinal products for human use. Within these guidelines is the restriction that access to pharmaceutical product marketing activities must be limited to only those participants licensed/authorised to prescribe or supply medicinal products. All participants, with the exception of the exhibitors, are asked the following question during registration: Are you licensed/authorised to prescribe or supply prescription only. All event activities (including educational sessions, meal functions, exhibit hall, etc.) are exclusively reserved for registered attendees. Non-registered guests (including children, family members, colleagues, etc.) are not allowed in any of the event areas. Badges provided at registration are required for entrance into all functions and will be strictly enforced. Please do not leave bags or suitcases unattended at any time, whether inside or outside the session halls. Hotels strongly recommend that you use their safety deposit boxes for your valuables.

The Congress Secretariat and Organisers cannot accept liability for personal accidents or loss of or damage to private property of participants. Participants are advised to take out their own personal travel and health insurance for their trip.
